Morgan Livestock Equipment

Morgan Livestock Equipment has a long history of working with local FFA and 4-H clubs across the United States from grade school to college. From delivery to set-up and service long after a sale, we will provide your school with the best service in the industry so your kids can take care of all species, including cattle, sheep, hog, poultry and rabbits. Adding small species pens, like poultry and rabbits, allow for more students to participate – more projects, and more opportunity.

AWARDED VENDOR

In addition, Morgan Livestock Equipment is an “Awarded Vendor” member of TIPS (The Interlocal Purchasing System) which allows you to save valuable time and money by not having to send out for competitive bids on each project.

Let the experts at Morgan Livestock Equipment help you design a facility to maximize your opportunities. Here are just some examples of work we have been doing all over Texas for your school

CALL FOR SCALE SPECIALS

JCSOLAR

Attention: Texas Ranchers

**Let us show you why
SOLAR makes sense for
your family's ranch!**

- **No down payment**
- **Same price per month cheaper than the electric company, but the price never goes up with the price of energy.**
- **Amazing tax benefits!**
- **Property value benefits.**
- **Phone app monitoring**
- **25-Year Warranty**
- **Possible revenue stream in some**
